

ODE TO MY SUBURB

Glen Iris soprano and founder of Creative Innovation Global and Music Theatre Australia, TANIA DE JONG AM tells us where she...

GETS A GREAT BREAKFAST

Our Kitchen Table in Burke Road cooks up some great dishes. I love the eggs all different ways.

PICKS UP TAKEAWAY

New Beijing in High Street Glen Iris does very good, MSG-free Chinese, and I also like Sozai in Armadale for great Japanese takeaway.

LANDS A GREAT BARGAIN

Second-hand designer stores such as Second Obsession. I bought a designer jacket a few years ago for a song and I still get heaps of compliments.

CATCHES UP WITH FRIENDS

I love to walk along Gardiners Creek with my poodle Jet and friends and think and talk.

BUYS A LAST-MINUTE GIFT

Camberwell Junction has it all and the market there is also super.

HAS A BIG NIGHT OUT

Tea House on Burke in Camberwell is a great place to celebrate special occasions. They serve a divine Peking duck.

WANTS TO KEEP A SECRET

The Community Sings choir meets on Wednesdays at Ashburton Baptist Church for sheer joy and harmony. Everyone is welcome to this social inclusion program which brings together employed people with job seekers and migrants.

A two-day Creative Innovation Global conference features 40 presenters and nine masterclasses. At Sofitel Melbourne, November 28-30. Details, visit ci2012.com.au.
